### **Conclusion**

***The Focus Of The S.I.H.H. RADIO Artists Partnership Program Is To Give New Artists The Ability To Get Real Exposure On Their Music. New Artists Are Everywhere And We Know It's Hard For Them To Get Their Music Heard. That's Why SIHHRADIO Created This Program To Help Artists Get Pushed To The ForeFront.***

***This Program Is To Encourage Artists To Get Their Music In A Repeated/Heavy Rotation So Listeners Have No Choice But To Hear Their Music. This Option May Work Depending On Your Music. Sometimes Listeners Overlook Music And The Repeated Play Will Make The Audience Grow To Love Your Song or Songs.***
