### *Ladies Night Description*

Ladies Of Hip Hop Aren't Knocking At The Door Or Asking The Industry To Open The Door Anymore. Either You Open Up Or We're Breaking This Door Down. Hip Hop, Which Has Been Considered The Boys Club, Is Still Hand Selecting What Females Should Come In And Stay Out. SihhRadio Believes In The Break Through For Females In Hip-Hop. We Have Created A Radio Platform That Will Block Out Time Just For Ladies To Get Exposure. This Type Of Exposure Is Concentrating On Females' Music, Identifying The Artists, And Discovering Their Whereabouts. Our Goals At SihhRadio Is Always To Discover New Artists And To Find The Best And Give Them Opportunity To Help Them Reach Their Goals. We Believe This Platform Will Help Break These Doors For Our Ladies To Get The Recognition They Deserve. Led By Our Host OhGeniaBabe, Who Embraces Women Empowerment, Will Assist In Bringing Proper Awareness For Ladies Night. One Main Reason For The SihhRadio Ladies Night Is To Provide A Platform That Helps Discover Artists. And, This Discovery Can Potentially Give The Artists An Audience, Where Listeners Can Turn Into Customers For The Artists. Also, Our Main Objective For Ladies Night Is To Focus On Bringing More Awareness To Females' Music, Identification, Location, Assisting Them Into Creating A Bigger Fanbase, And To Find The Females That Are Serious About Their Craft.
